

JUDO KITS

We are delighted to announce that we now have Fighting Films judo kits for sale.

The kits are available in either white or blue. They have a specially commissioned Destination Judo club badge on one arm plus the Fighting Films logo on the other.

I am happy to say that we have negotiated an excellent price and despite the additional customisation, the kits are still only £30 for white and £40 for blue!

If you would like to buy a club kit please complete the form below and hand to me in class, together with a cheque made payable to Destination Judo.

Thank you
